

BODY ART

Artistic technique (classic bodypainting)
Theme: Hogwarts - School of Witchcraft and Wizardry

Category: Professionals

DESCRIPTION: The category includes the creation of a complete fashion look corresponding to the given theme. Think carefully about the idea you want to bring to life. Pay attention to make-up, dress, hairstyle and accessories. The model's make-up must be done **before the competition**. The make-up must fully correspond to the competition theme and naturally complement the created image. The make-up can be of any complexity, but must be a natural complement to the work. Hairstyle, accessories and elements of the costume must correspond to the theme of the competition and complement the whole fashion look.

The degree of the model's preparation:

- a model with ready make-up and prior background coverage;
- the body must be covered with any background color before the competition;
- the model's make-up must be done before the competition and must correspond to the theme of the category;
- element of the costume must cover no more than 30% of the body.

It is allowed to:

- use brushes, sponges, applicators for creating general background and painting;
- models can go out on the runway with ready make-up, costume, hairstyle and nail design;
- use decorative elements and accessories that complement the image;
- element of the costume must cover no more than 30% of the body.

It is not allowed to:

- use toxic paints, including acrylic paints; use stencils and pre-marking;
- use airbrush during the competition;
- use sketches during work;
- use assistant's help;
- use of unhealthy product and those that are forbidden to use on skin.

Criteria:

- painting (technique, originality, complexity);
- fashion look (originality, relevance to the theme, harmony and integrity of the work);
- color (contrast, harmony, relevance to the theme)

Time:

4 hours (overall), 1 break of 15 minutes is allowed.
