## A New Winner Face at the 17th Beauty Forum Bodypainting Trophy in Munich

The Bodypainting Trophy at the Beauty Forum Munich highlighted last weekend, 27th October 2018.

The artists successfully implemented their understanding of the topic "**Let the impossible be possible**" and impressed with their creations visitors and the jury: Eva-Maria Schulz, Wolf Reicherter and Udo Schurr. We are very thankful for their hard job, as the level of the works this time again was very high and it was not easy to make a decision.

Nevertheless, in the name of the trade show and the WBA, we would like to congratulate the winners for their wonderful works:

- 1 place: Elisabet Llaberia Fibla (Spain)**
- 2 place: Rotem Lots-Zaiden (Israel)**
- 3 place: Marian Folga (Poland)**

We thank all artists and their models, who have done a great job!

### Halloween Facebook Image Contest

NEW activity on the WBA FP Page took place this month. Dedicated to the popular Halloween celebration, we held a fun online game. We were very happy to see many artists participating. Hope you enjoyed this quick game and will keep being part of our further activities! ([Facebook Group](#)) It was a difficult decision and at the end, we had to choose out of 4 pictures!! The very remarkable was a simple idea of a full glowing bodypainting, combined with an interesting composition by **Maike Karrer!**

We invite you to send us your stories & activities. We will present in each newsletter a WBA member now! (mail to [marlies@wb-association.org](mailto:marlies@wb-association.org))
